2013 Lagrein

Limestone Coast

Story: Lagrein is a relatively curious north east Italian grape variety well suited to Australian viticultural sites. While it's early days for this variety in the Wirrega Vineyard, if this wine is anything to go by we certainly have something to look forward to.

Vintage: The conditions throughout summer on the Limestone Coast were ideal for highlighting the sensational quality this region is capable of producing. The 2013 vintage was low yielding, resulting in exceptional wines with great intensity.

Nose: The nose is beautifully complex with aromas of blackcurrant, boysenberry, black licorice and young leather.

Palate: The youthful and intense palate offers notes of blackcurrant, plum, black cherry and blackforest cake with chalky tannins.

Pairing: Try with veal cutlets served with a green olive, parsley and pinenut pesto.

Cellaring: Drink now or to 2023
