## Lakeside White Meritage 2018 Adelaide Hills

---

**Story:** Originating from Bordeaux, this classic blend of Semillon and Sauvignon Blanc is the ideal companion for a lakeside get-together in both the Old and New Worlds. Like best friends, these two grape varieties complement each other perfectly, with the Semillon adding a bit of complexity and body to the pure aromatic fruits and refreshing acidity of the Sauvignon Blanc.

**Nose:** The nose offers delicate aromas of citrus and blackcurrant leaf.

**Palate:** The palate is a bit fuller with notes of citrus and additional grassiness from the Sauvignon Blanc.

**Pairing:** Try this wine with seafood dishes such as prawns with a watercress and mango salad, and watch a tropical marriage made in heaven come to life!

**Cellaring:** Drink now to 2022

**Winemaker:** Shane Harris
